

## AN ADJUSTABLE BED CAN MAKE A BIG DIFFERENCE FOR OVERALL WELLNESS!

RELAX or RECOVER while you enjoy TV, reading, surfing the web or catch up on work with an Assured Comfort® Adjustable Bed.

CHOOSE from twin, full, queen, and split-king sizes. Beds feature whisper-quiet remote control operation. Assured Comfort® foundations can typically retrofit into an existing bed frame or choose from our exclusive line of headboards and footboards. Our MATTRESS adds a major comfort element to our ergonomically engineered frame. We have selected the best available options for you. Our selection comes from research and study to provide the very best combination of foam, latex, and gel available. The mattress may also be customized and ordered to your specific preference.

### A HI-LO FRAME CAN AID RECOVERY.

As an ideal choice for those recovering, the adjustability of the bed allows the ability to transfer a patient to and from bed.

### ADDING SIDE RAILS FOR SAFETY.

Safety rails can be easily moved out of the way and offer safety while sleeping.
