Queen	64"	42"	3"
Split King	80"	42"	3"

QUESTIONS? Call 866.852.2337

CONSIDERATIONS

WHAT IS THE PREFERRED TRANSFER HEIGHT?

- With Hi-Lo operation, the PLATFORM Series offers a transfer height range from 17" to 27" when using a standard 8" mattress. This Series also offers the least distance between the floor and mattress.

DOES THE BED NEED TO ACCOMODATE LIFT?

- The PLATFORM Series will not accommodate a lift, such as a Hoyer lift. We recommend the MOBILE TWIN or SIGNATURE Series if you need to use a lift.

WHAT IS THE FLOOR SURFACE?

- The surface is important. We will set up the bed to work on a floor surface, whether it is a hard surface, such as wood, or a softer surface, such as carpet. If the bed needs casters to be moved often, we recommend the MOBILE TWIN.

DO YOU NEED SIDE SAFETY OR ASSIST RAILS?

- If the need for safety, or help getting in and out of bed exists, consider side safety or assist rails.

WARRANTY

Full One-Year Warranty

Assured Comfort® Adjustable Beds are warranted against defects in workmanship or materials for a period of one year from the date of purchase. SleepSafe® Beds, LLC will repair or replace any defective part at no cost to the purchaser.

Limited Five Year Warranty

During the second through fifth years from the date of purchase, SleepSafe Beds, LLC will replace any part found to be defective. Purchaser shall pay all service and shipping costs related to the replacement of the defective parts.

Terms and Conditions

This warranty applies to normal use and does not cover any damage caused by excessive wear, abuse, misuse, mishandling or modification of the product.
